

01 DHUAAN धुआँ

TITLE ANTHEM · 88 BPM

VERSE

Andhera cheer ke, dhuaan ban ke aaye

Teen parchhaaiyan, apna naam jalaaye

Tearing through the dark, we rise as smoke

Three shadows, setting their own name alight

CHORUS

Jisme naam jalta nahin — woh DHUAAN hum hain

Teen saansein, ek aag, ek imaan hum hain

The one whose name never burns — that smoke is us

Three breaths, one fire, one faith — that is us

02 Kaali Hawa काली हवा

DRILL-TECHNO — INFILTRATION · 140 / 70 BPM

VERSE

Andhera cheer ke, dhuaan ban ke aaye

Naam na nishaan, bas farz nibhaaye

Tearing through the dark, we come as smoke

No name, no trace — only duty fulfilled

HOOK

Dhuaan... dhuaan... sar na jhukne dete

Aag mein lipte, mit ke bhi hum jeetein

Smoke... smoke... we never bow our heads

Wrapped in fire, even erased we win

03 Teen Raniyaan तीन रनियाँ

THE WOMEN'S THEME — SISTERHOOD · 98 BPM

VERSE

Teen alag kahaaniyan, ek hi rang ka khoon

Raakh pe likhe naam, har saans ek junoon

CHORUS

Hum rani hain — taaj raakh ka, dil faulaad ka

Teen alag naam, ek hi vaada nibhaane ka

Three different stories, one same blood

Names written on ash, each breath a fervour

We are queens — crowns of ash, hearts of steel

Three different names, one promise to keep

04 Naam Reh Jaaye नाम रह जाए

THE WIDOW'S LAMENT — ALBUM SPINE · 62 BPM

VERSE

Teri mitti mein milke, tu sitaara ban gaya

Main teri parchhaai, tera farz utha liya

CHORUS

Tu mitti mein mila, par naam reh jaaye

Aansoo nahin — main tera farz ban jaaye

Merging into your soil, you became a star

I am your shadow; I have taken up your duty

You dissolved into the earth, but let the name endure

Not tears — let me become your duty

05 Ishq Jalakar इश्क जलाकर

SUFI-ELECTRONIC · 84 → 108 BPM

VERSE

Khud ko jalaa ke, hum noor ho gaye

Having burned ourselves, we became light

Dhuaan ban ke uthe, Rab ke kareeb aaye

Rising as smoke, we drew close to God

CHORUS

Ishq jalakar raakh hue, phir bhi roshan hain

Love burned us to ash, yet still we glow

Dhuaan ban ke uthe — Rab ke mehmaan hain

Rising as smoke — we are God's guests

06 Baarood बारूद

MONTAGE BANGER — TRAP-BHANGRA · 150 / 75 BPM

VERSE

Dhuaan dhuaan, teen sherni maidaan mein

Smoke, smoke — three lionesses on the field

Naam nahi, par naam hai har zubaan mein

No name, yet their name on every tongue

REFRAIN

O-o-o dhuaan, jeet hai aasmaan

Oh smoke — the sky itself is the victory

Mit ke bhi hum, ban gaye nishaan

Even erased, we became a legend

07 Adhoori Saanjh अधूरी साँझ

THE MEMORY DUET — ROMANCE · 76 BPM

VERSE

Woh adhoori shaam, woh chhoota hua haath
Ab dhuaan hai darmiyaan, par tu mere saath

*That unfinished evening, that hand that slipped
Now smoke is between us, but you're with me*

CHORUS

Adhoori reh gayi woh saanjh, woh vaada tera
Ab dhuaan hai darmiyaan — par tu hai mera

*That dusk stayed unfinished — and your promise too
Now smoke divides us — but you are mine*

08 Mitti Ka Karz मिट्टी का कर्ज़

FOLK-BASS RESOLUTION · 128 BPM

VERSE

Mitti ne pukaara, hum laut ke aaye
Raakh pe likh diya, jo vaada nibhaaye

*The soil called us, and we answered
On the ash we wrote the promise, fulfilled*

CHORUS

Mitti ka karz tha, chuka diya humne
Naam likh diya raakh pe — jeet ke apne

*A debt to the soil; we have repaid it
We wrote our name on the ash — victory won*

09 Raakh Se राख से

END-CREDITS REPRISE · 58 BPM

VERSE

Raakh thandi ho gayi, par naam jal raha
Aasmaan tak gaya, jo farz reh gaya

*The ash has gone cold, but the name still burns
It rose to the sky — the duty that remained*

CHORUS

Raakh se uthe woh naam, aasmaan tak jaaye
Dhuaan saaf ho gaya — par farz reh jaaye

*From the ash those names rise to the heavens
The smoke has cleared — but the duty remains*

10 Baabul बाबुल

TARA'S THEME — DAUGHTER & FATHER · 60 BPM

VERSE 1

Subah ki chai mein, ab bhi teri aadat reh gayi
Wardi ki khushboo, ab bhi is ghar mein reh gayi
Keh ke gaya tha tu, "shaam ko aata hoon"
Aaj bhi khidki pe, tera raasta dekhti hoon

*In the morning tea, your habit still lingers
Your uniform's scent still fills this house
You left saying, "I'll be back by evening"
I still watch the road for you from the window*

CHORUS

Baabul... teri gudiya ab bhi ro rahi hai
Jis ungli ko thaama tha, woh haath dhoondhti hai
Doli na uthi meri, na tu aaya bidaai pe
Tera farz utha liya — teri parchhaai ban ke

*Father... your little doll is still crying
The finger that taught me to walk — I seek that hand
My wedding palanquin never rose; you never gave me away
So I took up your duty — became your shadow*

VERSE 2

Woh daal jo tujhe pasand thi, aaj bhi banaati hoon
Do thaali lagaati hoon, ek khaali chhod jaati hoon
Log kehte waqt bhar deta har zakhm, har gham
Par baap ki woh kami, beti ki aankhon mein reh gayi

*That daal you loved, I still cook it
I set two plates, and leave one of them empty
They say time fills every wound, every sorrow
But a father's absence stays in his daughter's eyes*

OUTRO

Baabul... main aaj bhi teri hi beti hoon
Tere bina adhoori — par tere naam reh gayi

*Father... I am still your daughter
Incomplete without you — but I carry your name*
